1 Thinning akamai

 Ao: Jan Su, Aleksandar Kuzmanovic
 October 2008 **IMC '08**: Proceedings of the 8th ACM SIGCOMM conference on measurement

Publisher: ACM ☒ [Request Permissions](#)

 Full text available: ☒ Pdf (504.68 KB) [Additional Information: full citation, abstract, referen](#)
Bibliometrics: Downloads (6 Weeks): 77, Downloads (12 Months): 407, Citati

Global-scale Content Distribution Networks (CDNs), such as Akamai, dis of servers worldwide providing a highly reliable service to their custome reliability been one of the main design goals for such systems - they are

Keywords: akamai, cdn, denial of service, streaming

2 Securing media for adaptive streaming
☒ Chitra Venkatramani, Peter Westerink, Olivier Verscheure, Pascal Frossard
 November 2003 **MULTIMEDIA '03**: Proceedings of the eleventh ACM intern on Multimedia

Publisher: ACM ☒ [Request Permissions](#)

 Full text available: ☒ Pdf (233.56 KB) [Additional Information: full citation, abstract, referen](#)
Bibliometrics: Downloads (6 Weeks): 4, Downloads (12 Months): 30, Citation

This paper describes the ARMS system which enables secure and adapti streaming to a large-scale, heterogeneous client population. The secure algorithms ensure end-to-end security while the content is adapted and intermediate, ...

Keywords: MPEG-4, adaptive, encrypted, scalability, streaming, video

3 ARMS: adaptive rich media secure streaming
☒ Lisa Amini, Raymond Rose, Chitra Venkatramani, Olivier Verscheure, Peter Frossard
 November 2003 **MULTIMEDIA '03**: Proceedings of the eleventh ACM intern on Multimedia

Publisher: ACM ☒ [Request Permissions](#)

 Full text available: ☒ Pdf (179.94 KB) [Additional Information: full citation, abstract, referen](#)
Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 13, Citation

In this demonstration we present the ARMS system which enables secure rich media streaming to a large-scale, heterogeneous client population. dynamically adapts streams to available bandwidth, client capabilities, and

Multimedia

Publisher: ACMAdditional Information: [full citation](#), [abstract](#)**Bibliometrics:** Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations

Welcome to the Fifteenth ACM International Conference on Multimedia (held September 24-29, 2007 at University of Augsburg in the beautiful city of Augsburg, Bavaria, Germany. The city was founded 15 BC in the reign of

11 [Proceedings of the international workshop on Educational multimedia education](#)

Gerald Friedland, Wolfgang Hürst, Lars Knipping, Max Mühlhäuser

September 2007 **Emme '07**: Proceedings of the international workshop on multimedia and multimedia education**Publisher:** ACMAdditional Information: [full citation](#), [abstract](#)**Bibliometrics:** Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations

Advances in multimedia capture, analysis and delivery, combined with the use of broadband communication, have resulted in multimedia systems that support traditional forms of education. Research in these areas has achieved important

12 [Proceedings of the international workshop on Human-centered multimedia](#)

Alejandro Jaimes, Nicu Sebe

September 2007 **HCM '07**: Proceedings of the international workshop on Human-centered multimedia**Publisher:** ACMAdditional Information: [full citation](#), [abstract](#)**Bibliometrics:** Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations

It is our great pleasure to welcome you to the *2nd ACM International Workshop on Human-centered Multimedia -- HCM'07*. This year's workshop continues to be the premier forum for presentation of research results and experiences

13 [Proceedings of the international workshop on Workshop on multimedia retrieval](#)

James Z. Wang, Nozha Boujemaa, Alberto Del Bimbo, Jia Li

September 2007 **MIR '07**: Proceedings of the international workshop on Workshop on multimedia information retrieval**Publisher:** ACMAdditional Information: [full citation](#), [abstract](#)**Bibliometrics:** Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations

It is our great pleasure to welcome you to the *9th ACM SIG Multimedia Information Retrieval -- MIR'07*. Like in the past, this workshop is held in conjunction with the ACM Multimedia Conference. C

14 [Proceedings of the international workshop on Workshop on mobile video](#)

Eckehard Steinbach, Chang Wen Chen

September 2007 **MV '07**: Proceedings of the international workshop on Workshop on mobile video**Publisher:** ACM

Additional Information: [full citation](#), [abstract](#)

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations: n/a

It is our great pleasure to welcome you to the *1st ACM Workshop on Multimedia Information Retrieval (MMIR'07)* which is held in conjunction with ACM Multimedia 2007 in the beautiful city of Augsburg. The intention of this workshop is to establish a premium forum for the exchange of ideas and experiences in the field of multimedia information retrieval.

15 Workshop on multimedia information retrieval on The many faces of semantics

 Farshad Fotouhi, William Grosky, Peter Stanchev

September 2007 **MS '07: Workshop on multimedia information retrieval on multimedia semantics**

Publisher: ACM

Additional Information: [full citation](#), [abstract](#)

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations: n/a

It is our great pleasure to welcome you to the *First ACM Workshop on T Multimedia Semantics -- MS'07*. This symposium is the incarnation of the first workshop on Multimedia Semantics, organized by us, and held in Sofia (Bulgaria), in 2004.

16 Proceedings of the international workshop on TRECVID video summarization

 Paul Over, Alan F. Smeaton

September 2007 **TVS '07: Proceedings of the international workshop on TRECVID video summarization**

Publisher: ACM

Additional Information: [full citation](#), [abstract](#)

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citations: n/a

It is our great pleasure to welcome you to the first TRECVID Video Summarization workshop, held in conjunction with ACM Multimedia 2007. Although this workshop is the first of its kind, it is only the next in an annual series of workshops on video summarization.

17 Poor performance: is it the application or the network?

 Susan McGill

March 2006 **ACM-SE 44: Proceedings of the 44th annual Southeast regional conference**

Publisher: ACM  [Request Permissions](#)

Full text available:  [PDF](#) (273.95 KB) Additional Information: [full citation](#), [abstract](#), [references](#)

Bibliometrics: Downloads (6 Weeks): 22, Downloads (12 Months): 80, Citations: n/a

As more networked applications are deployed it becomes harder to detect and diagnose poor performance since complex interactions, multidisciplinary in nature, exist between the application and the network across several areas of responsibility: network, application, and user. This paper discusses the challenges of diagnosing poor performance in networked applications and presents a framework for diagnosing poor performance in networked applications.

Keywords: generation of 3D virtual environment, immersive virtual reality, simulation, quality of experience, team training

18 From voice-band modems to DSL technologies

September 2001 **International Journal of Network Management**, Volume 1, Number 3, Pages 1-10

Publisher: John Wiley & Sons, Inc.

Full text available:  Pdf (170.80 KB) Additional Information: [full citation](#), [abstract](#), [reference](#)

Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 41, Citation

This paper provides an overview of the evolution of digital transmission access network from voice-band modems to Digital Subscriber Line (DSL). The various types of DSL technology are described. Copyright © 2001 J

19 [Transport capacity for a catch-up television service](#)

 Danny De Vleeschauwer, Zlatka Avramova, Sabine Witttevrongel, Herwig B. June 2009 **EuroITV '09: Proceedings of the seventh european conference on interactive television conference**

Publisher: ACM 

Full text available:  Pdf (733.79 KB) Additional Information: [full citation](#), [abstract](#), [reference](#)

Bibliometrics: Downloads (6 Weeks): 6, Downloads (12 Months): 6, Citation C

One of the biggest advantages of interactive television (TV) is that it all watch the content at his or her most convenient time, either by pausing broadcast or by selecting to view the content at a time later than the or

Keywords: caching, catch-up tv, iptv, on-demand services

20 [802.11n: the new wave in WLAN technology](#)

 Abdurrahman Yarasli, Babak Ahsant

September 2007 **Mobility '07: Proceedings of the 4th international conference on technology, applications, and systems and the 1st international conference on Computer human interaction in mobile technology**

Publisher: ACM

Full text available:  Pdf (166.62 KB) Additional Information: [full citation](#), [abstract](#), [reference](#)

Bibliometrics: Downloads (6 Weeks): 22, Downloads (12 Months): 385, Citation

This paper presents an overview of the new IEEE 802.11n standard which is a wireless LAN standard based on MIMO-OFDM (Multiple Input Multiple Output Frequency Division Multiplexing). The Paper describes how MIMO-OFDM delivers ...

Keywords: 802.11.n, DS-UWB, MIMO, OFDM, WLAN, integration, last n mobility
